

Hawaii Girl's Get-Away? - Let's Go Girls!

“We all know a girl's get-away is a lot of fun and much different than a romantic vacation with your favorite guy. We girls like to party and stay up late. We like slumber parties and to talk all night, then lay in the sun all day. We like to spend time in nice surroundings and shop until the cows come home. We like warm days and balmy nights. We like beaches and spas and new adventures. We like living!”

The ideal girls get-away using our inclusive package is 2 guests sharing a room with two beds. Each guest pays half and gets the same amenities as a couples package. **Outrigger Waikiki** is on the beach, directly on the sands of the beach and is the liveliest of the beach fronts hotels with both Duke's and Hula Grill. **Ohia** is 3 blocks back from beach with small kitchenettes but offers same amenities at almost half as much.
